SPECIFICATION AND DATA SHEET

1. PRODUCT NAME:

Safe n Easy Heavy Duty Restoration Cleaner

2. MANUFACTURER:

Dumond Chemical

1501 Broadway

New York, NY 10036

Phone (212) 869-6350

Fax: 212-764-5762

e-mail: plaway@aol.com

website: www.dumondchemicals.com

3. PRODUCT DESCRIPTION:

Safe n Easy Heavy Duty Restoration Cleaner is a biodegradable slightly acidic, heavy duty cleaner/restorer. It will remove a variety of contaminants from natural and man-made stone surfaces. This product does not contain bleach, abrasive, caustic, muriatic acid or petroleum distillates. It is formulated as a ready to use product and is generally used accordingly. However, it can be diluted for light cleaning and non slid floor applications in place of hydrofluoric acid, a highly toxic and corrosive chemical.

4. TECHNICAL DATA:

Appearance: Clear liquid

Odor: None

Flash Point: None

pH: 5.0-5.5

lbs/gallon: 8.5-8.8

5. APPLICATIONS AND USES:

Safe n' Easy Heavy Duty Restoration Cleaner can be used to clean and restore stone, brick, masonry, unglazed ceramic, travertine, marble (unpolished or unglazed), granite, limestone, stucco, terrazzo, terra cotta and other similar type surfaces. It will remove stains, rust, chalking, efflorescence, atmospheric stains and dirt without etching, pitting or damaging the surface. Use product at full strength and do not dilute. Apply solution by brush or spray from the bottom up. Let solution stand for approximately 15 minutes depending on surface and contaminates, agitate and rinse thoroughly.

TEST AREA:

It is often impossible to know all of the conditions of the surface before cleaning. Before a project is started it is important that a small test area be done typical of the surface to be cleaned. It WILL damage and/or discolor glass, aluminum, polished and painted surfaces.

HEALTH AND SAFETY: Corrosive liquid. Eye, skin and mucous membrane irritant. Contains fluorogens, which may be fatal if swallowed. Wear eye protection, rubber or latex gloves and chemical resistant footwear. **KEEP OUT OF THE REACH OF CHILDREN.** In case of contact with eyes, flush thoroughly with water for 15 minutes. Seek medical attention. If swallowed, drink ½ glasses of milk. Never give anything by mouth to an unconscious person. Do not induce vomiting. Call a physician immediately. In case of contact with skin, wash with soap and water. If irritation persists seek medical attention.

6. AVAILABILITY AND COST: All Dumond products are available through a network of product distributors and paint stores. Call Dumond Chemicals in New York (212) 869-6350 for the nearest distributor. Cost will depend upon substrate and conditions to be cleaned. This product has an average coverage of between 150/200 sq. feet per gallon.

7. WARRANTY: Dumond Chemicals warrants all of its products to be free from defects, and makes no other warranties with respect to its products, express or implied, including without limitation the implied warranties of **MERCHANTABILITY OF FITNESS FOR PARTICULAR PURPOSE.** Dumond Chemicals Inc. liability shall be limited in all events to supplying sufficient products to re-treat the specific areas to which defective product has been applied. Dumond Chemicals shall have no other liability, including liability for incidental, consequential or resultant damages whether due to breach of warranty or negligence. This warranty may not be modified or extended by representative of Dumond Chemicals or its distributors and desires.

8. MAINTENANCE: No special service of the treated area is required following the cleaning process. No maintenance is required for the Dumond Products.

9. TECHNICAL SERVICES: Dumond Chemicals employs a complete staff of customer service representatives for response to any questions from end users and contractors. We also employ a staff of trained sales and field customer service personnel for on site

testing and application assistance. Please call our New York office for any assistance required.
